

SIMON'S HEART AMBASSADOR PROGRAM

Thank you for helping us
protect hearts + saving lives!

8-10 WEEK PROGRAM

You, along with your peers from the surrounding area, will plan and prepare for our annual CPR Jukebox Marathon. This marathon is a student run event that raises money and awareness for Sudden Cardiac Arrest. Students will work together to fully plan out this event, get their community involved, and engage attendees. Throughout the program, students will also gain professional development from hearing from industry professionals and interacting with staff/volunteers with Simon's Heart.

BEGINS annually every January

Bi-weekly meetings will take place via Zoom

During these meetings you will bring your thoughts and skills to collaborate and create a great event! As an ambassador there are some expectations such as:

- Attend and participate in 1 hour meetings via Zoom
- Work collaboratively in smaller groups
- Participate in at least 1 planning committee
- Attend/work the CPR Jukebox Marathon

GOALS

- Individually raise \$1,000 and \$25,000 as a group.
- Complete over 200,000 compressions during the CPR Jukebox Marathon

PERKS

Invitation to Simon's Soiree as volunteer, End of the Year celebration, Incredible opportunity to enhance your resume and college application.
